Classical Double Handle Brass Bath Shower Mixer Taps For Batroom YE151

# **Product Description:**

### BATH SHOWER MIXER TAPS

BATH SHOWER MIXER TAPS are a great choice for adding a stylish touch to your bathroom. They are designed to fit in with any bathroom decor and are made of high-quality materials for durability and long-term use. With two handles and a chrome finish, these taps offer a great combination of functionality and style. The pressure range of these taps is 0.5-3.0 bar, making them suitable for both low and high-pressure water systems. They are ideal for use with washbasins, bathtubs, and showers, making them a great choice for any kind of bathroom. They are specifically designed to provide a comfortable and pleasant experience while washing hands or taking a shower. With their modern design and beautiful finish, BATH SHOWER MIXER TAPS are perfect for any bathroom, giving it a luxurious look and feel.
