Product Description

Product Description:

CONCEALED MIXER TAPS are the perfect choice for your bathroom. They are a double-handle, three-hole mixer tap designed to be installed into the wall, rather than sitting atop a basin. This style of mixer tap is a popular choice for modern bathrooms, as it creates a sleek, minimalistic look. The CONCEALED MIXER TAPS are produced to a high standard, with a polished surface treatment for a luxurious, contemporary finish. Whether you are looking for concealed basin mixers, in-wall basin mixers, concealed shower mixers or in-wall shower mixers, this product is sure to provide you with a stylish and functional solution.

Applications:

CONCEALED MIXER TAPS: T8908

CONCEALED MIXER TAPS T8908 is a perfect choice for those who want to add a touch of luxury to their bathroom. This double-handle, three-hole mixer has a polished chrome finish that gives it a sophisticated, modern look. Its in-wall design allows you to conveniently mount it within the wall, giving your bathroom a clean, streamlined look. This concealed mixer tap is ideal for both bathtubs and showers, and it's easy to install. The mixer tap is perfect for those who want the convenience of a mixer tap without the bulky appearance. Its sleek design will add a touch of elegance to any bathroom, making it a great choice for modern bathrooms.

The CONCEALED MIXER TAPS T8908 is designed to last. It is made from high-quality materials and features a durable chrome finish that resists corrosion and tarnishing. The concealed design also helps to protect the mixer tap from dirt and debris, ensuring that it will look as good as new for years to come. The mixer tap is backed by a manufacturer's warranty, so you can rest assured that you're getting a quality product.

If you want to add a touch of luxury to your bathroom, the CONCEALED MIXER TAPS T8908 is the perfect choice. This in-wall basin mixer and concealed shower mixer will give your bathroom a modern, sophisticated look. With its easy installation and durable construction, this mixer tap is sure to become an essential part of your bathroom for years to come.
